# LEWIS GLACIER-Mt.KENYA

## 1983

Scale 1:5000

100m 50 0 100 200 300 400 Metres

Contour intervals: 10 metres, Heights in metres

Trigonometric stations by I.G.Y. Mt.Kenya Expedition 1957/58 (F.E. Charnley)

Trigonometric calculation by E. Schneider, Lech, Austria

Photogrammetric survey by E. Schneider and H. Schriebl, 19.-25.1.1983

G. Moser and G. Patzelt, 25.-26.2.1983

Photogrammetric evaluation by E. Schneider, 1983

Glaciology by G. Patzelt, Innsbruck

Cartography by G. Moser, Österreichischer Alpenverein, Innsbruck

Sponsored by Arbeitsgemeinschaft für vergleichende Hochgebirgs-  
forschung, Munich

Printed by Offsetdruck Hernegger, Innsbruck

Published by Institut für Hochgebirgsforschung, University of  
Innsbruck, Austria, © 1984
